

Supplemental Type Certificate

Number SA6PC

certificate, issued to Hawaiian Airlines, Inc
P. O. Box 9008
Honolulu, Hawaii

certifies that the change in the type design for the following product with the limitations and conditions
therefor as specified hereon meets the airworthiness requirements of Part 4b of the ~~Federal Aviation~~
Regulations **Civil Air**

Original Product — Type Certificate Number: 6A6 and STC SA1096WE
Make: General Dynamics/Convair
Model: 640(340D)

Description of Type Design Change: Conversion to cargo/passenger combination interior in accordance with HAL Engineering Release Nos. 380 and 381, and Drawing No. 3617. Installation of cargo door in accordance with STC SA443WE and FAA approved cargo compartment floor are required for this conversion.

Limitations and Conditions: This approval should not be extended to other specific airplanes of these models on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane.

Hawaiian Airlines, Inc. Airplane Flight Manual Revision dated August 12, 1966, is required.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the
Federal Aviation Agency
